

## Statement of Research with Human Participants

**Note:** This form (with copies of required approval forms) must be submitted to the Office of Graduate Studies on or before final submission of your dissertation. However, all research projects with human participants conducted by students associated with The University of Texas at Austin must receive ethical approval **before** the research is begun.

Please check one box

My research does not involve human participants (no other forms needed)

My research does involve human participants, and attached are the appropriate forms containing DRC/IRB approval.
